

CALLING ALL WOMEN!

TRAUMA

Trauma is often a woman's "pathway" into the criminal justice system

- ❖ Is past trauma still impacting your present ... and future?
- ❖ Do you recognize the impact of past trauma experiences on your current behavior?
- ❖ Would you like to learn to build resilience and coping skills through an interactive journaling process?

OUR "TRAUMA IN LIFE" GROUP CAN HELP!

Our process uses an interactive journaling technique.

Join us for a 6-session support group beginning **March 19th, 2015** from 10am - noon.
