

# Certification of Landscape Installation

In order to ensure that the landscape has been installed in conformance with the approved landscape plan, the applicant is required to submit a copy of the approved landscape plan with a certification signed and stamped by a landscape architect licensed in the State of Washington.

This Certification of Landscape Installation must be submitted prior to approval of a final plat or issuance of an occupancy permit.

Project Name	_____	FLD #	_____
Developer	_____	Phone	_____
Landscape Contractor	_____	Phone	_____
Landscape Architect	_____	Phone	_____

I, the undersigned landscape architect licensed in the State of Washington, hereby certify that the landscape and irrigation, if any, on the subject site has been installed in accordance with the attached approved plans with \_\_\_\_\_ [number of substitutions] plant substitutions.

I further certify that all of the plant substitutions are listed below and that these substituted plants are comparable to the approved plantings, suitable for the site, are no smaller than those shown on the approved plan(s) and have similar characteristics in terms of height, drought tolerance, and suitability for screening.

Approved Plantings		Substitution	
Name	Size	Name	Size
1.			
2.			
3.			

\* Attach additional sheets as needed to list all plant substitutions.

Irrigation was/was not [circle one] required by the approved landscape plan.

If irrigation was required, I further certify that the irrigation system was installed pursuant to the landscape plan and was tested and was properly functioning on \_\_\_\_\_ [date irrigation system was tested].
