Auditor's letter

Dear Clark County Voters

You have the option of returning your voted ballot by mail or dropping it off in person. If you choose to mail your ballot, please be sure to do so in time for it to be postmarked on or before Election Day. If you mail your ballot on Election Day, be sure to check the pick up schedule for the mail box. If you want to personally deliver your ballot you can take it to one of 34 ballot deposit locations before 8 p.m. Election Day. A complete listing of these locations can be found on page 73.

Every election a large number of ballots cannot be delivered because voters have moved and have not updated their addresses with the Elections Department. If you move, please contact the Elections Department by calling (360) 397-2345, by e-mail elections@clark.wa.gov, or by visiting our website at www.clarkvotes.org to provide your new address.

If you are a registered voter and have not received your general election ballot in the mail by Friday, October 22, please contact the Elections Department to obtain a replacement ballot.

To make sure your vote is counted, please use a black or blue ink pen to fill in the box by your choices.

If you make a mistake, please contact the Elections Department to ask for a replacement ballot, or refer to the instructions included with your ballot.

Again this year, preliminary election results will be released at Gaiser Hall, Clark College, 1800 E McLoughlin Blvd., Vancouver, at about 8:30 p.m. on Election Day. Election results will also be available online at www.clarkvotes.org.

I urge you to read this pamphlet but to also seek out more information. The best decisions are made by informed voters.

Sincerely,

Greg Kimsey
Clark County Auditor

Registering to vote

Registering takes only a few minutes, and you may do it by mail or online at www.clarkvotes.org. Registration forms are available during business hours at public libraries, public schools, city and town halls, auto license sub-agencies and the County Elections Department.

Already registered? Check online to be sure! Go to www.clarkvotes.org, select the “online voter registration” logo and then click on the MyVote logo. You may review your sample ballot, your voting history, ballot deposit locations, and change your address.

Additional voting information is available by accessing the Clark County website at www.clarkvotes.org and the Washington Secretary of State website at www.vote.wa.gov.

Registration deadlines

While you may register to vote at any time, there are registration deadlines prior to each election. You must register by mail or online at least 29 days before an election. If you are a new voter in Washington State, you may register in person at your county elections department up to eight days before an election. The phone number and address of your county elections department is located at the bottom of this page. You do not need to register before each election; only register once.

Voting instructions

Your ballot packet will be mailed to you about 20 days before the November 2 general election. It will contain:

- An instruction sheet that explains the voting process.
- The official ballot where you will mark your choices (it will be folded).
- A yellow secrecy envelope with instructions printed on it.
- A return affidavit envelope with green stripes that is addressed to the county Auditor.

To make sure your vote is counted please follow the steps below when you receive your ballot package.

- 1 Read the following instructions** that explain how to vote in this election.
- 2 Unfold and read the ballot.** It contains all the races and ballot measures that you can vote.
- 3 Mark your ballot by completely filling in the box to the left of your choice with a black or blue ink pen.**

Example:
 Candidate B has been chosen in the U.S. Senator race, and Candidate C has been chosen in the U.S. Representative race. One candidate has been marked in each race and the box is filled in completely.

4 Optional. If you want to vote for a candidate not appearing on the ballot, completely fill in the box to the left of the Write-In choice and use the line provided.

5 Check your ballot to be sure you have voted for all the candidates and measures you intended. Make sure you voted for only one candidate in each race. If you vote for more than one candidate, your votes in that race will be rejected. Your other votes will be counted if they are done correctly.

If you make a mistake marking your ballot, draw a line through the entire candidate's name as shown below. You then have the option of making another choice.

6 Refold the ballot in the same way you received it and place it inside the yellow secrecy envelope. Then seal it. Don't write on this envelope.

7 Place the yellow secrecy envelope into the white affidavit envelope with green stripes.

8 Read the oath on the affidavit envelope, and then sign and date it.

9 Seal the envelope and put a first class stamp (44¢) on the envelope and mail it so it is postmarked no later than November 2.

You may also deliver your envelope in person. Please turn to page 73 for information about ballot deposit locations.

If you need help, call the Elections Department at (360) 397-2345.

Accessible voting

Using the eSlate

Clark County voters with disabilities have the option of casting a truly secret ballot using an accessible voting unit.

The eSlate accessible voting unit is a direct record electronic machine that allows voters with disabilities, including those who are blind, mobility impaired or lack upper-body dexterity, to vote privately and independently. The eSlate is in a booth that is wheelchair accessible. The photos to the right are of the eSlate, encased in its booth.

Beginning 20 days before each election this accessible voting machine is available from 8 a.m. to 5 p.m. at the Clark County Elections Office, 1408 Franklin Street, Vancouver.

The elections department may be reached by taking C-Tran bus #1 Fruit Valley Route. You will be let off at Franklin Street and Mill Plain Blvd.

The top photograph shows a close-up of the e-Slate. The photograph below shows the e-Slate as part of the wheelchair accessible booth.

Continued on next page.

Accessible voting

About the accessible eSlate

The eSlate is accessible in six ways.

- For those who cannot operate the eSlate using the buttons and wheel, special interface devices are available as shown here.
- For those who cannot see or read the eSlate screen, use the headphones with volume control to hear the ballot.

Accessible features

- Those who are blind, visually impaired, or have difficulty reading can listen to the ballot. The SELECT wheel is the trigger to the audio. Turning clockwise moves the listener through the ballot. To hear something repeated, turn the SELECT wheel counterclockwise.

Those using hearing aids with a telecoil mode may use their neck-loop rather than the headphones.

- The RED jelly switch is the same as the SELECT wheel. The GREEN jelly switch is the same as the ENTER button.

- Voters with quadriplegia can use their sip-n-puff to move through the ballot. Sip to move through the ballot. Puff to mark your choice.

The accessible eSlate unit is in a wheelchair-accessible booth. If you are not in a chair but need to sit while voting, a chair can be used with the special booth.

Qualified: As a lifelong resident, having served 29-years in the Assessor's office, including 25-years applying "mass appraisal" techniques. A state certified appraiser since 1993, I am the *only* candidate with the *professional* qualifications and experience to do the job.

Professional: Taxpayers deserve an experienced, knowledgeable Assessor who treats citizens with honesty, fairness, respect and understands how critical accurate valuations are.

Fair: I'm dedicated to acting on property owners concerns and helping Senior and Disabled persons understand and utilize available programs. You can count on me to impartially and equitably administer state-mandated rules by which we are all governed.

Peter Van Nortwick

Prefers Republican Party

The Assessor's role is to appraise property for taxes. The past 4 years, the budget has increased 25% but 85% of our homes are unfairly assessed leading to unfair property taxes. Peter is a Certified General Appraiser and the only candidate qualified to appraise our homes, buildings and farms.

As your Assessor, Peter brings professional appraisal experience, business management leadership, and an experienced team dedicated to

stopping unfair property taxes and assessments. Peter's team will freeze spending and implement professional standards. Please join citizens, County Commissioners, Legislators, and Mayors in voting for Peter VanNortwick. It is time for a professional!

CLARK COUNTY CLERK

Scott Weber

Prefers Republican Party

We need to manage our public money better. One way to do that is to eliminate elected offices that have very limited functions.

The County Clerk’s function is mostly limited to court document management and filing. Four counties in Washington have chosen to eliminate the Clerk as an elected position. We should do the same in Clark County.

If elected I will work to eliminate the office which will save the taxpayers hundreds of thousands of dollars. While I work to phase the office out, I will do everything I can to save taxpayer money.

I would appreciate your vote!

Prefers Democratic Party

The Clerk’s primary function is to provide the public with a permanent record of Superior Court proceedings and to safeguard public funds held in trust. My 12 years experience working in the Clerk’s Office means I understand that responsibility.

Working with a staff of 45 dedicated employees, I have brought many innovations and efficiencies to the office during these difficult times. Managing a budget of approximately \$6 million, is a task for a

proven leader – not a trainee.

I promise you I will continue to provide – fiscal responsibility, reliable record keeping and a commitment to the latest technological innovations.

No Tolls. We cannot afford \$100 million studies spent by the Columbia River Crossing, I-5 and I-205 tolls, billions in bridge and Light Rail debt and mounting taxes while police and fire staffs are cut, businesses close and jobs are lost.

I am not endorsed by the tax and spend politicians. Rather, I will serve you with debt-free business friendly solutions that create local jobs, support emergency responders and help our economy to regain health and vitality during these difficult times.

CLARK COUNTY SHERIFF

Garry E. Lucas

Prefers G.O.P. Party

A community oriented approach to identifying issues and solving problems has been my unwavering commitment during the 20 years that I have served as your Sheriff. This philosophy has guided the Sheriff's Office through times of change and challenge by keeping our focus on public safety and the needs of citizens. The current economic downturn reduced

both staffing and funding but we were able to get through it by working with our community and our employee labor groups. Tested leadership, collaborative partnerships and citizen interaction are needed now more than ever. I ask for your vote to continue this undertaking.

The position of County Treasurer is not about political rhetoric. It's about 26 years of hard work administering the law, which has earned Doug a stellar reputation as an innovative administrator, excellent manager, and vigilant caretaker of the public's monies.

Accomplishments include a popular one-stop service center, innovative investment pooling, shared remittance processing center, and a unique treasury web portal. Customer service is Doug's priority. The
