Sections of RCW 76.09.070, RCW 76.09.390 and WAC 222-20-055 require that before any sale or transfer of land or perpetual timber rights which are subject to any continuing forest land obligations under rules adopted in 1982 and under RCW 76.09.370 adopted in 1999:

1. **The seller** shall notify the buyer of the existence and nature of such an obligation,
2. **The buyer** shall sign a Notice indicating their knowledge of the continuing obligation and,
3. At time of sale or transfer of the land or perpetual timber rights, **the seller** shall send the signed Notice of continuing forestland obligation to the Clark County Dept. of Community Development.

The Notice of Continuing Forest Land Obligation form may be obtained at the Clark County Permit Services Center, 1300 Franklin Street, Vancouver, Washington.

There are four types of Continuing Forest Land Obligations:

1. Reforestation;

If a seller fails to notify a buyer about the continuing forest land obligation, they shall pay the buyer's costs related to the continuing forestland obligation. The failure of a seller to send the required Notice to the DNR at the time of sale is prima facie evidence, in any buyer's legal action against a seller for costs related to continuing forest land obligation. The evidence shows that the seller failed to notify the buyer of the continuing forest land obligation before the sale.

If a landowner changes the forestry operator, they shall notify the Clark County, in writing, within 48 hours of the change.

Compliance with this application/ notification does not ensure compliance with the Endangered Species Act, or other federal, state, or local laws.
