<input type="checkbox"/>	Weekly pre-application conference. Question arose about asking to receive only notifications when applicant is applying for a road modification. The pre-application conference is an opportunity for the applicant to present their proposal and ask questions of staff and other affected agency representatives, such as the Washington Department of Transportation. Although the public may attend the Pre-Application Conference, there will not be an opportunity for the public to ask questions, provide comments or submit information. However, written comments may be sent to the Department of Community Development, PO Box 9810, Vancouver, WA, 98666-9810. Community Development	Gary
