MEMORANDUM

TO: Tom Mielke, David Madore, Edward Barnes

FROM: Oliver Orjiako, Director

DATE: November 12, 2014

SUBJECT: Surface Mining Overlay; Work Session Memorialization

Commissioners present: Tom Mielke, David Madore, and Edward Barnes

Staff present: Mark McCauley, Axel Swanson, Oliver Orjiako, Marty Snell, Gordy Euler.

The purpose of the work session was to update the on Board proposed policies and development code related to updating the implementation of the surface mining overlay (SMO).

At a work session on August 27, the Board directed staff to meet with stakeholders and attempt to resolve any areas of disagreement. Proposed language alternatives were presented at the work session, and will be refined to the extent possible prior to the hearing.

The hearing on this topic is scheduled for November 25, 2014.
